

## The Right Side of the Grass

What three items do the airlines, military, and corporate aviation use in all aspects of their business? Please welcome, Mr. Armand Vilches, as he answers this, and many other questions. We'll explore aviation tips, tricks, and tactics, to help us stay on the 'Right Side of the Grass'. We'll also discuss why General Aviation is not as safe, as we believe. We'll offer solutions to help us improve our collective safety record, while decreasing our own chances of becoming an NTSB statistic.

**Directions:** Please utilize the map link. From Donelson pike, turn onto Knapp Blvd, then left onto Hangar Lane. Bldg#4251, Park in rear, and proceed to the second floor Room 227.
